Only the following products are considered Certified Product(s) within the scope of this certification and the associated Trademark License Agreement:

Rockfon acoustic ceiling and wall solutions made from stone wool.

This certificate covers products originating from Rockfon's production facilities in France, Netherlands and Poland. See the Product Specification Sheet (available on the Product Registry listing) for all variations approved for use.

This product has met the first draft Version 4.0 requirements for the General Requirements, Material Health, Product Circularity, and Clean Air and Climate Protection categories, the second draft Version 4.0 requirements for the Water and Soil Stewardship category, and the Version 3.1 requirements for the Social Fairness category.

This certification is considered provisional pending completion of the manufacturing facility site visit, which was postponed due to 2020-21 global travel restrictions.
