

Rockfon® Infinity™ D

Features & Benefits

- Finish edge trim with integral, grooved mud flap for interior, suspended drywall ceiling perimeters
- Accepts up to 3/4" gypsum panels
- Primed for adhesion of joint compound and paint
- Available straight or curved to designer specifications
- Integrates with Chicago Metallic® Drywall Suspension systems and industry standard drywall suspension systems

Applications

- Ceiling projections
- Free-floating islands
- Light covers
- Ceiling height transitions

Project – Traders Point Church in Wilmington, IN
Product – Rockfon® Infinity™ D
